FILE HEADING.

Annual levy of a fixed contribution from the local bodies in respect of the cost of Vaccine lymph supplied.

FROM The President, City Municipal Council, Mysore

No. G. J 1915 Dated 8th May 31. Received 9th May 31

Diary No: 1031	Enclos.	Spare copies	Serial No. 8

BRIEF ABSTRACT OF LETTER

States that the Municipal Council prefer the continuance of the present system of purchasing and paying for such quantities of the lymph as they indent for.

NOTES AND ORDERS.

Submitted with a draft for consideration.

The Govt/ 12/5. of The G.O. in question fixes the rate at which lymph should be supplied in future and advises the local bodies to adopt the system of a fixed contribution every year. The Mysore City Municipality apparently agrees to the rate but finds the ~~the~~ existing practice of

From

Dr. J. V. Karve, M.B., Ch.B., D.P.H.,
Director of Health with the Government of
H.H. the Maharaja of Mysore, Bangalore.

SECRETARIAT 20 MAY 1931

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the Government of
H.H. the Maharaja of Mysore, Bangalore.

Sir,

With reference to your No. G. 11747/Sany. 84-29-9 dated 18th May 1931 forwarding therewith copy of letter No. G.T. 1985 dated the 6th/8th May 1931 from the President of the City Municipal Council, Mysore, with its enclosures, in respect of levy of a fixed annual contribution for the supply of Vaccine lymph &c., I have the honour to state that the President's letter and its enclosure do not make any note of the reasons for not accepting the levy system.

The object of the fixed levy proposed is to do away with the present complicated accounting and the endless trouble adjustments involve.

Again if an exception is made in the case of one Local Body, others will follow up asking for similar consideration. I therefore would not recommend reversion to the present practice.

I have the honour to be

Sir,

Your most obedient servant

J. V. Karve

Director of Health.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. G. 9466-87—Sany. 84-29-7, dated 12th March 1931.

Vaccine Lymph.

Passes orders on the supply of —— to local bodies on payment of a fixed annual contribution.

READ—

Correspondence ending with letter No. C. 171-16, dated the 31st January 1931, from the Director of Health, about the levy of a fixed annual contribution from the Local Bodies in respect of the cost of Vaccine Lymph supplied to them.

ORDER NO. G. 9466-87—Sany. 84-29-7, DATED 12TH MARCH 1931.

The Director of Health has brought to the notice of Government that the present practice of preparing bills for the cost of Vaccine Lymph supplied to Local Bodies involves much labour and that the collection of dues is therefore retarded, causing confusion in the accounts. He has also stated that the rate now charged for Vaccine Lymph is not uniform and does not fully cover the cost of its manufacture. He has therefore proposed that Vaccine Lymph may be supplied to each Local Body, to the full extent of its actual requirements, on payment of a fixed annual contribution at the commencement of the official year. The annual contribution payable for the next five years is calculated at the rate of one rupee per 10 doses on the probable requirements of the Local Bodies based on the average quantities supplied during the last three years. These details and the annual contributions that the Local Bodies will be required to pay, are shown in the accompanying statement.

2. Government consider that the arrangement proposed by the Director will be an improvement over the present practice and trust that the Local Bodies will also find it acceptable. The new arrangement may be given effect to from the 1st July 1931 for a period of five years.

N. MADHAVA RAO,
Chief Secretary to Government.
